## Spring 2003

Dear Friends,

Spring is a time of new beginnings, and nowhere is it more evident than here at Saint Vincent's, where we have a newly refurbished and expanded Day Home, new friends to welcome into our community, and news of coming events we'd like to share with you.

First, an update on our new space. With our building project and capital campaign complete, we are settling in nicely. The children are enjoying their classrooms and all of us are grateful to return to our day-to-day tasks—minus the buzz of saws and hammering of nails. Now that the dust has settled, we're ready to handle an increased enrollment and continue to equip the Hedco Family Literacy Center.

During the capital campaign and building project we were fortunate to make new friends, which brings me to my second topic. As you know, a strong corps of committed civic and business leader volunteers is crucial to the continued success of the Day Home. We'd love to continue to expand our circle—both by working with our old friends in new ways and by introducing more new friends to the Saint Vincent's community.

On that note, I'd like to ask each of you to take a new look at the Day Home and consider becoming more involved with us. You can make a difference by simply joining us for more events. Or you might enjoy volunteering with us in the office or the classroom. We are also looking for more helping hands to join us in committee work, and we have active groups focused on everything from building and maintenance, development and events, family literacy and finance, to personnel, programs and strategic planning.

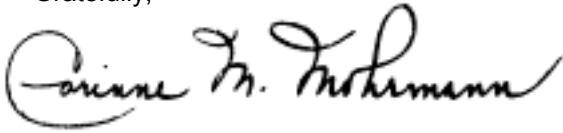

In terms of joining us for events, we have several upcoming opportunities. Our Second Annual Golf Tournament will be held on Monday, May 12, 2003 at the Sequoyah Country Club in Oakland. The tourney features celebrity players, tee prizes, an on-course lunch, awards banquet and presentation of the prestigious Corrigan Cup. Even if you're not a budding Tiger Woods you can be part of the fun by attending the awards banquet. On September 14, 2003 we'll hold our Annual Brunch (this event replaces the Children's Choice Award Dinner we've held in the past). Please mark your calendars now and plan on joining us for one of both of these activities.

Working together, we've made dramatic accomplishments. I am truly grateful for the many gifts of time, talent, resources, and financial contributions large and small that we have received from our many friends. Of course, there's still work to be done. Just as we have met our expansion goals, the Day Home faces funding cuts from the State of California. Which makes your contributions more crucial than ever.

Thank you for helping us to realize our dream of an expanded Saint Vincent's Day Home, and for all you continue to do to sustain the rich tradition that began more than 90 years ago—our dedication to meeting the changing needs of families in a supportive and caring environment.

Gratefully,

Corinne M. Mohrmann  
Executive Director
